SALES@AE-LS.COM

1100 GARBER ROAD, BROUSSARD, LA 70518

Advanced E-Line offers a range of accessory hardware for your wireline and slickline operations including Pumpdown Parachute Bowsprings. These Bowsprings are used to help pump tool string through long laterals and deviations. The Parachutes are made durable enough to pump toolstring down and also have the ability to tear away when you are coming uphole.

Temperature Rating	500° F
Pressure Rating	20,000 psi
Tool Diameter	1.000" - 3.125" O.D.
I.D. Range	1.500" - 8.000"
Connections	"GO" Gearheart, Sucker Rod

2 3/4" Pump Down Parachute

"GO" and Sucker Rod connections

Optional: Pelican case w/ custom foam
